## **DETAILED ACTION**

### ***Reason for Allowance***

1. The following is an examiner's statement of reasons for allowance: In the last non-final Office action dated January 26, 2005, indicated that claims 20 and 21 were allowed. Claim 6, 15, 16 and 22-24 have been Objected to as claims having allowable subject matter. Claims 1-5, 7-11, 13-14, 17-19 and 25 were rejected.

In response to the office action dated January 26, 2005, applicant's supplemental amendment filed on April 26, 2005 has indicated claims 1-19 have been cancelled. Claims 20 and 21 previously presented and were allowed. Claims 26-31 are newly presented. Claims 20, 21 and 26-31 are now all pending in the present application.

The newly added claims 26-31 corresponds to former claims 6, 15, 16 and 22-24, respectively, are rewritten in independent form. These claims (5,15,16 and 22-24) were indicated that would be allowable if the base claims rewritten in independent form.

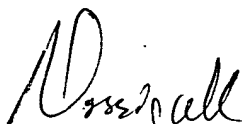

Therefore, claims 20, 21 and 26-31 are allowed for the reasons that the prior art searched and of the record neither anticipates nor suggests the claimed invention of the present application as amended.
